Program Description:

**Program Overview & Target Audience:**
The purpose of this educational activity is to provide education on recent advances in the field of cardiovascular care and how it impacts the management of patients. The emphasis will be on evidence-based, best practice standards of care. It will focus on practical and clinical issues faced on a daily basis by the health care professional.

This activity has been designed for primary care physicians, interventional cardiologists, clinical cardiologists, cardiac surgeons, vascular surgeons, hospitalists, emergency medicine specialists, interventional radiologists, nurses, physician assistants, technologists and other members of the health care team who want to enhance their knowledge of current advances in the management of patients with heart and vascular disease.

**Accreditation:**
**Physicians:** The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Nurses:** Penn Medicine Nursing is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Approval # 124-3-H-15

**Designation of Credit:**
**Physicians:** The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 0.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** The program will award 0.00 contact hours.

**Physician Assistants:** AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of 0.00 Category 1 credits for completing this activity.
