ATTENTION! If this is the first time you are registering for a Penn Medicine CME/CNE Activity, please click the gray REGISTER button at the top of this page and create a new account/profile. If you already have a profile, click the LOG-IN button instead and enter your username and password. DO NOT CREATE A NEW PROFILE IF YOU DO NOT REMEMBER YOUR PASSWORD – please enter your email address and request a new password. Once you are logged-in, you will be able to select your registration fee and click PURCHASE to proceed to the payment page and finalize your registration.

Please remember to check your spam/junk mail for our communications.

Program Description:

Course Overview and Target Audience:
In this first-of-its-kind symposium, top researchers from across the Penn community will gather in one location to discuss some of the fundamental ethical questions that arise at the frontiers of research today. Top Penn researchers will discuss the implications or challenges that such design choices present, as well as how to navigate them in the most effective and conscientious way possible. Physicians, fellows, and residents across the Philadelphia area who conduct or are interested in conducting biomedical research.

Learning Objectives:
Upon completion of the activity, participants should be able to:
- Identify the available models of informed consent, as well as its roles, and then interpret how this can best be sought in the context of the study (e.g. based on the study design or the technologies used or available)
- Describe potential conflicts that may arise from overlaps between research and clinical care for the physician, as well as ideas for how to navigate professionally and which offices to engage
- Identify the methods by which (and examples of content for which) the IRB can be contacted for assistance to help facilitate the physician's research

Registration Fees:
No fees are associated with attendance but attendees are requested to register in advance. Breakfast, lunch, and afternoon refreshments will be provided.

Accreditation:
Physicians: In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit:
Physicians: Penn Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start and expiration dates:
Tue, 02/07/2017 - 7:00am - Wed, 11/27/2019 - 9:00am

Live event:
Live event

Event date:
Tue, 11/27/2018 - 9:00am - 5:00pm

Location:
Smilow Center for Translational Research
3400 Civic Center Boulevard
Arthur H. Rubenstein Auditorium
Philadelphia, PA, 19104
United States
