Arthur H. Rubenstein Auditorium
Smilow Center for Translational Research
Perelman School of Medicine at Penn Medicine
3400 Civic Center Boulevard  |  Philadelphia, PA 19104
The 2018 Penn Aorta Course:
A Multi-Disciplinary Approach to Conquering Complex Aortic Disease

SATERDAY, FEBRUARY 3, 2018

Course Overview and Target Audience
This program was developed with an important goal of improving health outcomes of patients with aortic diseases. Learning benefits for participating clinicians will include the following:

• Improving the understanding of the biology of aortic diseases
• Learning the diagnosis of aortic disease and identifying ‘at-risk’ populations
• Better understanding medical and surgical approaches to treating aortic disease
• Developing strategies for life-long management of aortic disease

This will be accomplished through a multidisciplinary team approach that incorporates cardiovascular medicine, genetics, advanced imaging, critical care, anesthesia, cardiac and vascular surgery and nursing.

Case presentations, expert lectures, panel discussions and active audience participation will be employed.

This activity has been designed for all physicians, nurses, nurse practitioners, physician assistants, medical students, residents and fellows who have an interest in treating patients with acute and chronic aortic disease.

Accreditation and Credit Designation
In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Penn Medicine designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by the ACCME or a recognized state medical society. PAs may receive a maximum of 6.75 Category 1 Credits for completing this activity.

Nurses: This activity is approved for 6.75 contact hours.
