PHILADELPHIA/DELAWARE VALLEY CHAPTER
The 9th Penn Inflammatory Bowel Disease Symposium will highlight the advances in diagnosis and treatment of IBD. The program will include lectures by nationally and internationally recognized experts, followed by interactive panel discussions. A wide array of topics will be discussed including the pathophysiology of IBD, pharmacologic therapies and surgical interventions. Participants will receive a comprehensive overview of the latest available research and clinical information on evaluation and management of patients with IBD.

This activity has been designed for gastroenterologists, gastrointestinal surgeons, GI fellows and residents, physician assistants, clinical nurse specialists, radiologists, pathologists, nutritionists and other health care professionals.

Learning Objectives
At the conclusion of this activity, participants should be able to:
- Describe the physiologic and immunologic mechanisms that contribute to IBD
- Assess the benefits and risks of currently available therapies for IBD
- Discuss the potential role for surgery and novel therapies in the treatment of IBD
- Identify and review strategies to reduce the risk of complications of IBD

Hosting Department
The 9th Penn Inflammatory Bowel Disease Symposium is hosted by the Division of Gastroenterology, Department of Medicine and the IBD Center at the University of Pennsylvania.

Accreditation
Physicians: The Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Nurses: The Hospital of the University of Pennsylvania, Department of Nursing Education, Innovation and Professional Development is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Patient Safety Hours: Some presentations at this conference will be designated for Patient Safety hours. The details will be noted in the course syllabus and Certificate.

Designation of Credit
Physicians: The Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 13.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The program will award 13.25 contact hours.

Certificates and Transcripts: A few days prior to the symposium, pre-registered participants will receive an email containing directions, additional symposium information and a link to the symposium pre-test, a short questionnaire that will be used to gauge participant knowledge. After the symposium has concluded, all participants will receive a follow-up email containing a link to the post-test, symposium evaluation and request for credit. Once participants submit the request for credit, the credit can be viewed on a transcript or a certificate can be printed by logging onto www.penncmeonline.com once the symposium concludes.
Disclosures
Perelman School of Medicine at the University of Pennsylvania Office of Continuing Medical Education, adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.
