## OVERVIEW

This activity is designed to provide primary care physicians and other members of the healthcare team education in screening, diagnosis and treatment of the cancer patient. This activity will provide information on cancer screening, evaluation, treatment advances, and palliative care.

## OBJECTIVES

At the completion of this course, participants should be able to:

- Identify new advances in cancer treatment including: immunotherapy, precision surgery, and proton therapy
- Describe the latest evidence for colorectal cancer screening
- Identify the role of the PCP in palliative care of the cancer patient

## WHO SHOULD ATTEND

This activity has been designed for primary care physicians, nurse practitioners, physician assistants and other healthcare professionals involved in the primary care of patients.

## ACCREDITATION AND DESIGNATION OF CREDIT

### ACCREDITATION

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### DESIGNATION OF CREDIT

**PHYSICIANS:** Penn Medicine designates this live activity for a maximum of **2.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**PHYSICIAN ASSISTANTS:** AAPA accepts certificates of participation for educational activities certified for **AMA PRA Category 1 Credits™** from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **2.25 Category 1 credits** for completing this activity.

### DISCLOSURES

Penn Medicine, Office of Continuing Medical and Interprofessional Education, adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabus. Faculty members are also expected to disclose to participants any discussion of off-label and / or investigational use of pharmaceutical products or devices within their presentations.

### CANCELLATION POLICY

The University reserves the right to cancel or postpone any conference due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund registration fees but is not responsible for any related costs or expenses to participants, including cancellation fees assessed by hotels, airlines and travel agencies.

In order to process refunds for conference withdrawals, we must receive cancellation in writing 30 days prior to event.

### SERVICES FOR THE DISABLED

If special arrangements are required for an individual with a disability to attend this meeting, please contact [Melissa.messinger@uphs.upenn.edu](mailto:Melissa.messinger@uphs.upenn.edu), no later than 30 days prior to event.

### NONDISCRIMINATION STATEMENT

The University of Pennsylvania values diversity and seeks talented students, faculty and staff from diverse backgrounds. The University of Pennsylvania does not discriminate on the basis of race, color, sex, sexual orientation, gender identity, religion, creed, national or ethnic origin, citizenship status, age, disability, veteran status or any other legally protected class status in the administration of its admissions, financial aid, educational or athletic programs, or other University administered programs or in its employment practices. Questions or complaints regarding this policy should be directed to the Executive Director of the Office of Affirmative Action and Equal Opportunity Programs, Sansom Place East, 3600 Chestnut Street, Suite 228, Philadelphia, PA 19104-6106; (215) 898-6993 (Voice) or (215) 898-7803 (TDD).
